# INTRODUCTION

## WHO IS ZANN

ZANN (Zorica, Ana, Nemanja, Nenad) we're a family owned boutique laboratory located in Toronto, celebrating 23 years of excellence! Third generational techs, we just get it!

Whether in need of true-to-life translucency or preventative care, we provide a wide variety of services. Our goal has always been to provide the highest quality restorations, validated by innovated clinically proven research. Working with top manufacturers, suppliers and industry leaders we ensure our team has best-in-class materials, education and training, resulting in high quality craftsmanship.

Thank you for showing interest in ZANN Dental Laboratories. We're a third generation family business of dental technicians.

The clients that we work with understand the importance of prestigious reputation, quality craftsmanship and communication. We strive to constantly improve, evolve, adapt and maintain a positive business relationship.

Providing remarkable win - win results. Just try for yourself. Book a 15 minute consult with our team to learn more, or simply give us a call to see how we can best support you.

# **TURN AROUND TIME**

The below listed are timeframes that we use for production. ZANN is aware that there will be certain cases that require rush timeframes. We ask you to call in advance and we will accommodate the best to our ability.

Please note:

Pick up and Delivery are not included in our production schedule.  
Same day repairs must be called in before 9am, otherwise it is next day  
Add an extra production day, when there are statutory holidays
